MISSION STATEMENT

TO BE AN EXCELLENT COMPANY FOR SERVING THE LOGISTICS INDUSTRY IN THAILAND BY:

1. Devoting ourselves to customer needs and delivering 100% client satisfaction.
2. Aiming for the highest level of quality for both service and operation, through a combination of staff expertise, teamwork and new technology.
3. Committing to continual improvement of all procedure in line with international standard certification.
4. Focusing on safety and environmental issues to uphold our social responsibility.
5. Maintaining a commitment to transparency, morality and business compliance.
6. Creating quality education programs for benefit of all KTL Group employees.

Our WMS (Warehouse Management System) is designed to handle the automation of the complete cycle of warehouse operations and billing system.

The system provides the facility for customers to communicate online with the warehouse, to inquire about the status / inventory of their cargo.
